This letter gives notice of a refund requested regarding the above-referenced report of American Federation of State, County & Municipal Employees PEOPLE ('AFSCME PEOPLE').

On Schedule B, Line 23 of this report, AFSCME PEOPLE disclosed a contribution made to Brenda Lawrence for Congress of \$5,000.00 on 8/26/14, and designated the contribution as '2014 Primary Debt.' The recipient committee had insufficient debts for '2014 Primary Election' and AFSCME PEOPLE requested a refund per our letter below to the recipient committee dated January 16, 2015.

Re:AFSCME PEOPLE Contribution to Brenda Lawrence for Congress

Dear Ms. Baseman:

Congratulations on Congresswoman Lawrence's election to Congress. I know that she will be a wonderful and dedicated Representative for the people of Michigan's 14th Congressional District.

I am writing because we received a notice from the Federal Election Commission that our Federal PAC, American Federation of State, County & Municipal Employees PEOPLE ("AFSCME PEOPLE") made an excessive contribution to Brenda Lawrence for Congress ("the Committee") last year. AFSCME PEOPLE made a \$5,000 contribution to the Committee on August 26, 2014 (and which the Committee reported receiving on September 30) that was designated for repayment of the Committee's primary debt from the 2014 Democratic Primary. It appears, however, that the Committee reported having no primary debt, and AFSCME PEOPLE's contribution was therefore excessive. Because we are now more than 60 days past the Committee's receipt of that contribution, the Committee is required by law to refund the contribution to AFSCME PEOPLE. Please refund the contribution as soon as possible.
